

PRIME

STRATOSCAPE
by
lumii

Enhance your surroundings with Prime, a parametric acoustic raft from our StratoScape By Lumii collection, made from our in-house Miixfelt™ in 12mm thickness and available in 27 curated colours.

Striking in appearance, it not only elevates the visual aesthetics but also effectively reduces reverberation within a space. In an atmosphere of acoustic comfort, individuals can flourish and thrive.

Prime brings fantastic sound diffusion and absorption. Created in the UK using our in-house Miixfelt™, which is made from 75% recycled plastic bottles.
